Quentic opens new offices in Switzerland and Belgium

Berlin, May 13, 2019

Quentic continues to grow internationally. As a provider of software and services for Environment, Health, and Safety (EHS) as well as Corporate Social Responsibility (CSR), it is opening new branches in Zürich and Ghent. As a result, the company is now represented in seven European countries.

Senior Sales Manager Juerg Peter Wildeisen is responsible for the Swiss office. As a business economist, he has more than 20 years of experience in the software industry. He previously served as the Senior Sales Executive for abas Consulting AG and Levi, Ray & Shoup, Inc.

The new office in Belgium is supervised by Regional Sales Manager Henri Kymper. After completing his studies in communication management, he worked for Oracle, LinkedIn, and Talentsoft, among others. In his most recent position, he acted as Key Account Manager at the IT service provider Savaco.

Quentic is one of the leading solution providers of Software as a Service in the European EHS and CSR market. The company is headquartered in Berlin, Germany, and employs more than 200 people. Quentic maintains branch offices in Germany, Austria, and Switzerland, as well as in Belgium, Finland, Denmark, and the Netherlands. Over 600 customers strengthen their EHS and CSR management with **Quentic software solutions**. With eight combinable modules, the online platform handles Health & Safety, Risks & Audits, Hazardous Materials, Legal Compliance, Online Instructions, Processes, as well as Environmental Management and Sustainability. The solution is suitable for management systems according to ISO 14001, ISO 50001, and ISO 45001. It is Quentic's mission to connect, engage, and inspire all EHS and CSR stakeholders – via browser or app. Quentic supports seamless cooperation across departments, locations, and even countries, thereby helping companies coordinate all processes efficiently and in compliance with legal requirements.
